

## **Domestic Laundry Care Training**

### **Say good-bye to damaged and badly pressed clothing!**

This **Laundry Training** is a once off class of five hours.

We come to your house and assess the current skills of your Domestic Worker. We then settle in to teach the needed skills, covering everything from sorting laundry, product usage and ironing, right through to correct packing of cupboards.

The class is structured for practical hands-on training. The trainer demonstrates, and the student replicates. Any student errors are addressed, and further demonstration is given if needed

### **Laundry training outline:**

- Interpreting clothing labels
- Using the correct washing cycle
- What fabrics to wash together
- Looking after the machine and keeping it clean
- Washing powder and softener usage
- Correct iron care and ironing techniques
- Hand washing and special garment care
- Sorting, hanging, and folding of laundry
- Clothing cupboard organization
- Basic cleaning of shoes
- Linen organisation and care
- How to keep whites, white (without bleach)
- Cleaning/caring for seldom used clothing items

### **The cost per five-hour class is:**

**Johannesburg: R 2,090.00**

**Pretoria: R 2,190.00**

– Extra Students charged at R 800.00 per class (Max of 4 students)

### **This includes:**

- One on one training in your home
- A handbook with information on the training practices
- Checklist of training completed in the class
- A certificate of completion emailed through to you after the training

***Load-shedding*** - If load-shedding is experienced during training, the Trainer will do all the training that does not require power, such as folding and packing cupboards. She will then wait at the house until the power returns, and then complete the training that requires power, such as ironing.

***Classes available in English, Zulu or Tswana***
